

Comments from students

Comments:

THANK YOU PHIL VERY PROFESSIONAL APPROACH
I ACTUALLY LEARNED SOMETHING FROM YOU
WELL DONE!

VERY WELL RUN AND AT A LEVEL THAT WAS
IN LINE WITH BEGINNERS THROUGH TO TRAINED OPERATORS
PHIL WAS VERY ~~PRO~~ PROFESSIONAL AND ENJOYABLE TO
WORK WITH.

Just a note to say i have had some excellent feedback from our Otaika Quarry with regard to the telehandler training that Phil Hawkins did up there
Always good to have this sort of feedback from the guys.

Your own comments

Easy to follow, trainer has
obviously been in the game for a long
time and passes on experience in a
very valuable manner
