| Official No : 166034 | |
| Category | : Crane |
| Serial No. | : 595630 |
| Location | : Banks, Paraparaumu |
| Customer Ref. | : Manitou Mobile Crane |
| Maker | : Manitou MT1840 |
| Position | : Banks Mini Crane Hire |
| Purpose | : General lifting |
| SWL1 | : Hook: 4 tonne at 5.1 m radius |
| SWL2 | : Mancage 1000 kg |
| | Field Use |
| Terms of Certificate | |
| 1. This certificate is issued in accordance with SGS's General Conditions for Inspection and Testing Services and should be read subject to them. (Hard copy available on request or can be viewed at http://www.sgs.com/terms_and_conditions.htm). | |
| 2. This certificate may be cancelled or suspended at any time in accordance with the Health and Safety in Employment (Pressure Equipment, Cranes, and Passenger Ropeways) Regulations. | |
| 3. Under the Health and Safety in Employment (Pressure Equipment, Cranes, and Passenger Ropeways) Regulations the controller named opposite must ensure that this certificate and any supporting documents are available in the workplace where the equipment is situated, so they can be readily examined by any person in that workplace. | |

When used as a Crane Crane Association of New Zealand Position (Version 2.0 | 26/10/2015)

1. The PECPR Exemption for Mobile Plant applies to Telehandlers whose primary configuration is not as a crane but does not exempt a Telehandler owner/user from the guidance provided in the ACOP for Cranes.

2. **If the primary function of the Telehandler is as a crane, the full PECPR applies.**

3. The ACOP for Cranes applies to Telehandlers when used as a Crane to Lift Suspended Loads.

PART 16:2 OTHER CRANES OR EQUIPMENT USED AS CRANES

4) **Telehandlers used as cranes have potential stability issues when travelling over sloping or undulating ground carrying a suspended load.**

Owners of telehandlers and those responsible for their use should ensure they have all applicable information from the supplier of the machine, including the maximum operational slope and other limitations.

They should also ensure the machines they have responsibility for have been designed to accommodate the required attachments and are suitable for the tasks they are to perform and the location they are intended to be used in.

Health and safety in Employment (Pressure Equipment, Cranes and Passenger Ropeways) Regulations 1999

Notice of Exemption for Equipment under the Health and Safety in Employment (Pressure Equipment, Cranes, and Passenger Ropeways) Regulations 1999

Pursuant to Regulation 6 of the Health and Safety in Employment (Pressure Equipment, Cranes, and Passenger Ropeways) Regulations 1999, I, Richard Steel, Manager Technical Support Services, Workplace Services, in exercise of the powers delegated to me by the Secretary of Labour, give notice of exemption from the requirements of these regulations for the following equipment:

Items of mobile plant (including earth-moving equipment), not originally designed as a crane, and used for load-lifting incidental to their principal function are exempt from the Health and Safety in Employment (Pressure Equipment, Cranes, and Passenger Ropeways) Regulations 1999 subject to the following conditions as applicable:

1. Lifting points and equipment used for rigging loads are to be certified by a Chartered Professional Engineer; and
2. In the case of hydraulic excavators with an operating weight of 12 tonne or more the following additional conditions apply:
 - a. The equipment is not to be modified to make it operate as a crane other than the provision of a lifting point; and
 - b. Hose burst protection valves are required after 1st January 2014; and
 - c. Operators and ground support personnel are to be adequately trained as required by section 13 of the Health and Safety in Employment Act 1992; and
 - d. Operations are to be carried out in accordance with the Approved Code of Practice for Load-Lifting – Rigging; and
 - e. The equipment is to have a loading chart available to operators.

Dated at Wellington this 3rd day of June 2010. Richard Steel, Manager Technical Support Services, Workplace Services, Department of Labour
